PRODUCTS / AUTHORIZATIONS

GCS helps keep your critical machinery running 24/7, reliably, and efficiently. Our inventory of spares, new controls, and exchanges is unmatched in the industry and can be expedited worldwide.

Governor repairs, engineering service, competitive prices are available from our strategically located facilities in the Southeast, Gulf Coast, Mid-Atlantic, and the Pacific Northwest.

Control & Monitoring Products, Authorized Woodward Channel Partner

Governor Control Systems, Inc. specializes in power generation and propulsion control systems for marine and industrial engine and turbine driven applications. **GCS** represents the finest products in their class and manages an unmatched inventory of spares, new controls, and exchanges. We operate under ISO 9001:2008 certification.

Woodward Innovative Governor, Control, and Safety Systems

GCS is recognized as the largest Woodward governor and controls system specialist offering Woodward warranty evaluations, training, repair, and field service worldwide. Woodward products deliver cleaner, more efficient, and more reliable performance.

- Power Generation
- Oil & Gas
- Marine Propulsion
- Industrial Processes
- Offshore

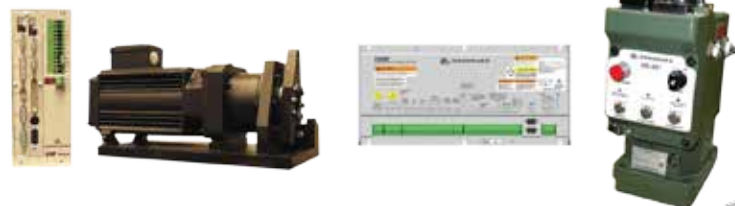

Diesel Engine: Governors, Actuators, Controls, Pumps, Fuel Injectors, Nozzles

Gas Engine: Governors, Actuators, AFR Controls, Valves, Throttles, Ignition, Speed Controls

Power Management: Genset Controls, Synchronizer / Load Sharing, Protection Relays

Steam Turbine: Governors, Actuators, Controls, Safety Systems

Gas Turbine: Valves, Controls, Drivers

Comprehensive Service & Support: Sales, Installation, Commissioning, Service

- Basler & ABB Voltage Regulators & Excitation
- Bently Nevada Vibration Systems
- Allen Bradley, Horner, GE/ FANUC PLC Automation
- Schaller Oil Mist Detectors

Tach Kits – Self-powered, Reliable Speed Monitoring

E3 Air/Fuel Ratio Control System – Integrated Speed Control & Governing featuring StableSense™ Technology

R-Series Actuator Replacement Kit for Waukesha ESM Engines

HMI / SCADA Monitoring Systems

Peak® 150 & ProTech® Steam Turbine Governing & Protection Kit

Exhaust Emissions, SRT & SCR Systems

Fuel Measurement Systems

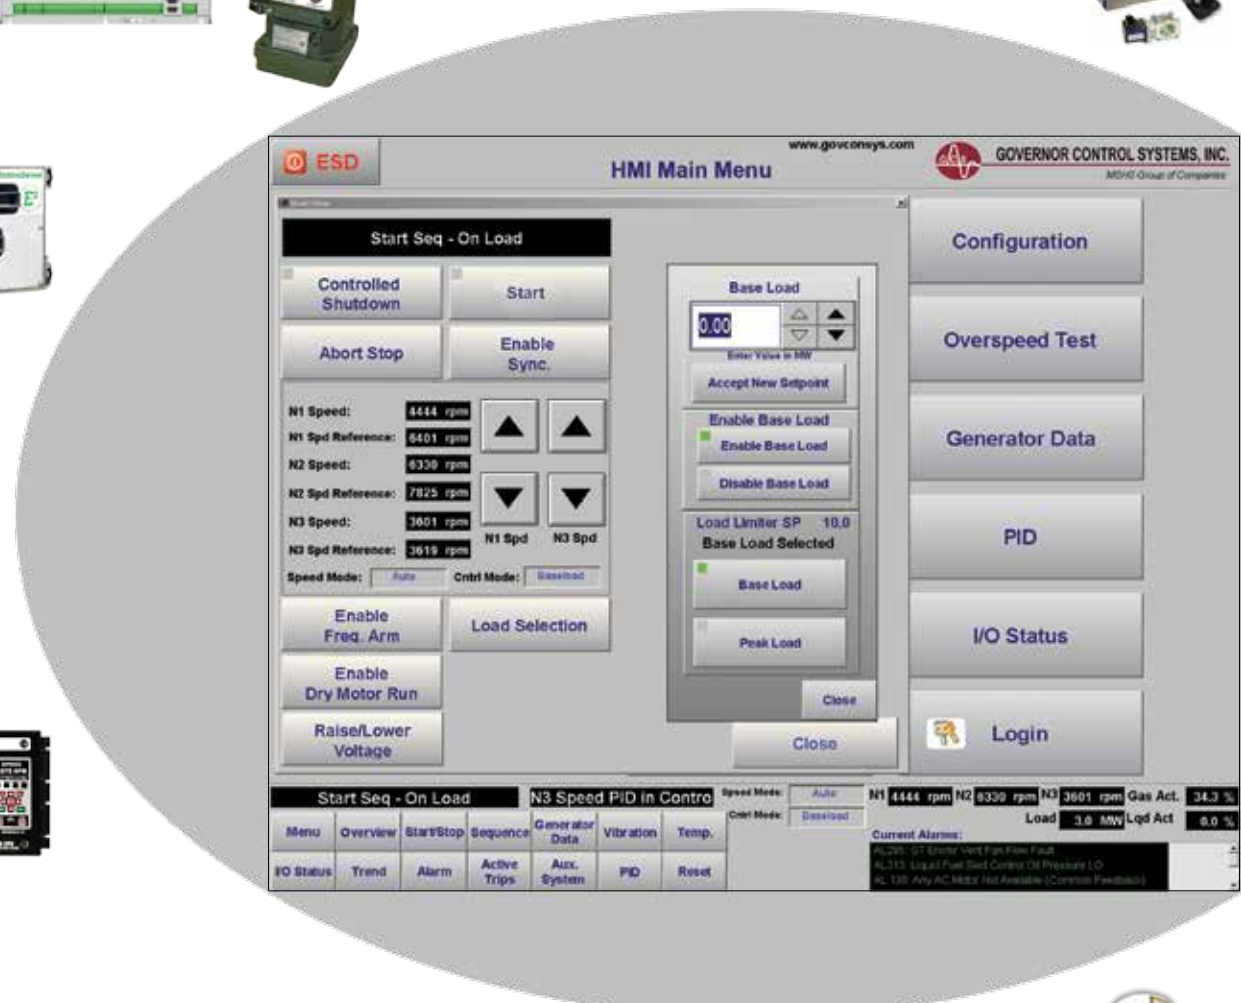

Instrumentation

Surge / Lightning Protection

Oil Filtration

SERVICE

- Governor / Actuator Repairs
- Maintenance Service & Exchanges
- On-site Field Service
- Electronic Controls / AVRs
- Technical Support

ENGINEERING

- Control System Integration
- Retrofits & Upgrades
- Installation
- Engineered Adapter Kits
- Commissioning

TRAINING

- Woodward & Basler Authorized
- Scheduled Classes
- Three (3) Training Facilities
- Custom & On-site Classes
- CEUs & PDH Credits
