

GOVERNOR CONTROL SYSTEMS

www.govconsys.com

Governor Control Systems (GCS) is authorized by Woodward to perform warranty evaluations, training, repair, and field service work for all standard Woodward products worldwide.

- Quality standards and requirements are factory-audited, ensuring strict compliance.
- Only genuine Woodward parts and certified, calibrated tools and test stands are used in governor service and repair.
- Woodward requirements are met through complete disassembly, bench inspection, comprehensive cleaning, reassembly and testing to OEM specifications.
- Non-conforming parts are replaced with 100% Woodward parts.

24/7

GCS offers a full range of engineering/consulting services: design, manufacture and installation of control systems, software development - GAP, PLC, HMI, SCADA and control system modernization.

We go above and beyond industry standards with our technical know-how and convenient shop locations in the Southeast, Gulf Coast, Mid-Atlantic, and Pacific Northwest.

Collectively, **GCS** has over 500 years of Woodward service and product knowledge.
