Dear Ben,

We would like to thank Governor Control Systems for once again pushing through another challenging year while reaching the status as Woodward's largest distributor and service center in the world for Woodward's fiscal year 2015.

Governor Control Systems has maintained a high level of performance by continuing to invest in top in class talent and product. Additionally, Governor Control Systems' continued strong commitment to service and engineering has maintained growth in their overall business.

We look forward to fiscal year 2015 and expect Governor Control Systems to outperform our expectations once again.

Thank you,

Tim Harwick
